

Product name - SlugPings

Team name - The Goon Squad

Spring completion date - Sunday March 4, 2018

Revision number & revision date: 1.0, Feb 18, 2018

Goal: Postings of the events

(User story 1) As a user, I want a listings of all the markers and its related content so that I can see the technical information all in one place.

- Task 1: Determine if library available (1 story points)
- Task 2: Add form (7 story points)
- Task 3: Add form functions (6 story points)
- Task 4: Add browsing of listings and display (5 story points)

Total Story Points: 19 story points

(User story 2) As a user, I want the listings to expand and have more official information so that I can learn more about the event that is occurring.

- Task 1: Determine if capability exist in library (1 story points)
- Task 2: Expand the listings with extra options (14 story points)
- Task 3: Display the information (4 story points)

Total Story Points: 19 Story Points

(User story 3) As a user, I want the listing to have a quick reply to the event so that I can communicate with the poster

- Task 1: Pop up reply (10 story points)
- Task 2: Back end functionality of reply (12 story points)

Total Story Points: 22 Story Points

(User story 4) As a poster, I want the communication to be a quick private message so that sensitive information is not shared with the public.

- Task 1: Private messaging (15 story points)
- Task 2: Back end functionality of private messaging (20 story points)

Total Story Points: 35 points

Grand total: 95 Story Points
